**WE
 CAN'T
 HELP
 YOU...**

**IF WE
 CAN'T
 FIND
 YOU !!**

Everyone has heard the expression "Every Second Counts"..

It's very true! In the event of an emergency the difference between life and death for you, or that of a loved one, may only be a few seconds.

Please don't become a statistic...

Mark your address clearly. HELP emergency personnel LOCATE you in times of EMERGENCY!

Important Tips on Displaying Your Address...

- Use reflective numbers at least 3" high.
- Locate your address sign on your side of the road or street.
- Mount it high enough to avoid high grass in summer.
- Make sure it is visible from both directions.
- If your mailbox post is not on the street, or does not meet these standards, you might consider using a separate post for your address sign.

Reflective signs are easy to see at night !!
